Total Credit Hours

This degree requires 77 credit hours.

Requirements

Course	Title	Credits
BI103	Human Anatomy and Physiology	6
BI115	Basic Radiation Biology	2
BU120	Job Search/Retention	1
IS103	Microcomputer Literacy	2
MA106	College Algebra	3
PS100	General Psychology	3
RA102	X-Ray Terminology	3
RA105	Radiographic Exposures I	4
RA106	Radiographic Exposures II	4
RA110	Introduction to Clinical Training	3
RA115	Radiologic Physics	4
RA201	Clinical Training I	8
RA202	Clinical Training II	8
RA203	Clinical Training III	5
RA205	Radiographic Exposures III	4
RA210	Imaging Modalities	2
RA211	Skull Radiography	2
RA212	Physical Foundation of Radiology	4
RA213	Radiographic Principles	3
English Composition I Options		3
SH101 Public Speaking OR SH210 Interpersonal Communication		3
