

# About Hutchinson Community College

Hutchinson Community College and Area Vocational School is the premier two-year college in the state of Kansas.

Top-notch academic and vocational programs are the trademark of HCC. The College offers more than 64 areas of study, leading to Associate's in Arts, Applied Science and Science degrees, in addition to a wide-range of vocational and technical one- and two-year certificate programs. HCC has a great honors program as well, for those seeking an additional academic challenge.

## Activities, Clubs and Organizations

Bored is not a word you'll think of at HCC. With our award winning theatre productions, top athletic teams, and the distinguished Dillon Lecture Series, we have something for everyone and every interest. We also have the HCC Student Firefighter Association for our majors. Check out our website to decide what you want to do first!

## Student Support Services

Sometimes you just need a helping hand. At HCC, we're here to guide you through the adventure of college and help any way we can. Our students have access to the Rimmer Learning Resource Center, on-campus and online tutoring, up-to-date technology, the Office of Disability Services, and assistance with career placement in our Guidance and Counseling office.

## HCC Public Safety

Challenging, Rewarding, Meaningful

# Fire Science

## Why HCC Fire Science?

We have one of the most respected and regarded fire science programs in the state of Kansas. At HCC's Fire Science facility, students utilize up-to-date equipment and take courses that meet National Fire Protection Agency (NFPA) standards. HCC's Fire Science program emphasizes hands-on training with real equipment. Our students leave well prepared to serve as professionals in both private and professional sectors.

## Program Options

- Associate of Applied Science

This program will equip you with the skills and knowledge needed to begin a career as a firefighter or to work in other areas of fire safety. Upon graduation from our program you will be EMT certified and well prepared for your future career. This degree requires 64 credit hours.

# Challenging, Rewarding & Meaningful

## Opportunities for Women

Firefighting and Criminal Justice careers are not just for the guys!

Are you

- Hard Working
- A Problem Solver
- Dependable
- A Team Player
- And do you like a new challenge every day?

Then you should consider a career in the field of Public Safety. Learn more about women working in these careers by visiting these websites:

International Association of Women in Fire & Emergency Services  
[www.i-women.org](http://www.i-women.org)

National Association of Women Law Enforcement Executives  
[www.nawlee.com](http://www.nawlee.com)

**Hutchinson Community College is here for you!**

## Conveniently Located

- Just about a 45 minute drive from Wichita
- When possible, we bring hands-on training to you!

## Online Offerings

- Many classes can be completed without setting foot in a classroom

## Qualified Staff

- We have the full-time administrative, instructional and support staff to meet your needs
- Our instructors are active or retired from careers in firefighting and law enforcement, and incorporate their real-life experiences into the curriculum.

# Criminal Justice

## Why HCC Criminal Justice?

HCC instructors are experienced criminal justice professionals with a real world approach to teaching. We provide a solid foundation upon which you can build your future career, as well as a set of practical application skills.

## Program Options

This program meets the needs of a diverse student population by offering 3 different degree options. Our degrees will prepare you for a job in criminal justice, as well as prepare you to further advance your education. Associate degrees require 64 credit hours.

- Associate of Arts
- Associate of Science
- Associate of Applied Science

Our certificates are designed to permit non-degree-seeking students to accomplish their educational and occupational goals quickly. However, all of these programs work hand-in-hand. Certificate credits build upon one another for an easy transition into an associates degree should you decide to pursue that option.

- Criminal Justice Corrections Certificate

This program prepares you to work directly with offenders in a variety of corrections-related agencies.

- Criminal Justice Law Enforcement Certificate

This program prepares you to work in both public and private sectors of law enforcement.
