

Greetings Students!

HutchCC's Paramedic Field Operations, scenario training Tuesday, June 18 2019

General Expectations:

YOU (paramedic students) are our guests of honor! This event is being planned for students coming from, Cowley, Garden City, Hutchinson Community College, Missouri Southern State, University of Missouri Kansas City – School of Medicine and new this year... Central Jackson County Fire Protection District – Blue Springs MO. Your team for the day will be made with two-three students from different schools.

Our purpose for this event is for you to practice caring for the sick and injured in a "real" life situation, in real time with all the bells and wheels. Top priority is given to realism, safety, education and integrity.

"EVERYTHING IS REAL BUT THE BLOOD".

You cannot "fail" during this event. You will be guided, coached and mentored all the way through this event. Our hope is you LEARN MUCH of what TO do and a *little* of what NOT to do. You will learn quickly how to work and communicate with new people. You will take turns being the Lead, Team member and "Driver". Have serious fun and enjoy the safety net!

HOUSEKEEPING:

Check In @ Kansas State Fairgrounds. 2000 North Poplar Street. Check In is at 0700-0750

Parking:

Entrance/Gate #5 State Fair Rd.

June 18th is a long day (12 hours). You will begin Orientation at 0800 and end 10 hours later with a group meal with Agency/Sponsor presentations. **Do not plan on leaving the event prior to Agencies/Sponsors presentations approximately 2000.** We could not do this event without Agencies and Sponsors!!

"Lunch on the run" & water are provided.

Lodging (if reserved):

June 17 & 18. Bring all bedding (pillow, sleeping bag, and sheets, towel/soap) & any additional personal hygiene products.

There are two dormitory wings located on the second floor of the encampment building. One wing accommodates the boys and the other wing accommodates the girls. Both wings have restroom and shower accommodations. Each wing has four rooms with a sleeping capacity of 72 people per room (288 per wing). **Non Air-conditioned.**
