HUTCHINSON
COMMUNITY COLLEGE

CONCURRENT
Enrollment
Student Step-by-Step Process:

1. Find out from your High School Counselor what courses Hutchinson Community College will be offering in your school and how classes may fit into your high school schedule.
2. Complete a HutchCC Application and High School Permission form.
3. Complete placement assessment (ACT or testing specific to HutchCC course enrollment).
4. Attend the HutchCC Enrollment session at your high school to enroll and receive information regarding payment of tuition and purchase of books.

Step Ahead Program

With the rising costs of higher education, affordability is always a concern for parents and students. Hutchinson Community College Step Ahead program can help you get a head start on a quality education at one of the premier colleges in Kansas. Take some classes from HutchCC while you’re attending a Kansas high school. After you graduate, enroll and attend full-time at HutchCC for your freshman year and we will reimburse you the cost you have spent on tuition. It’s as easy as that!

Student Requirements:

- Be a Kansas resident.
- College credit must be a letter grade and students must have earned a grade of C or higher or a P in a pass/fail class.
- Day or evening, on-campus, off-campus, ITV or internet classes taken during the fall, spring, or summer semesters prior to high school graduation are eligible for reimbursement.
- The reimbursement is awarded to students who enroll and attend full-time students in the fall or spring semesters following high school graduation.
- HutchCC must be the only institution attended after high school graduation.
- Graduated high school seniors, attending only HutchCC summer classes, are not eligible for the program.
- The reimbursement will cover only the tuition paid by the student.

For more information about the Hutchinson Community College Academic Catalog is your student guide. To access student rights and responsibilities and other policy information, please visit www.hutchcc.edu/catalog.

Specific information about how your classes will transfer to other institutions can be accessed at the following link:
