## Computer Drafting Technology - AAS

### Semester-by-Semester Pathway

An Associates of Applied Science Degree emphasizes preparation in the applied arts and sciences for careers, typically at the technical or semi-professional level. This degree totals 61 credits. Consult with an advisor for more information. Not all courses are offered each semester.

(▶) are Systemwide Transfer Courses

(★) are recommended for this degree pathway.

| Semester 1 - Fall |                             |                              |              |                      |
|-------------------|-----------------------------|------------------------------|--------------|----------------------|
| Complete          | Course ID                   | Course Title                 | Credit Hours | Notes                |
| Required Courses  |                             |                              |              |                      |
|                   | DR100                       | Computer Aided Drafting I    | 3.00         | Fall, Spring, Summer |
|                   | DR212                       | Architectural Drafting I     | 3.00         | Fall, Spring         |
|                   | IS104                       | Microcomputer Applications ▶ | 3.00         | Fall, Spring, Summer |
| Electives         |                             |                              |              |                      |
|                   | Computer Drafting Electives |                              | 3.00         |                      |
|                   | General Education Options   |                              | 3.00         |                      |
| Semester Total:   |                             |                              | 15.00        |                      |

| Semester 2 - Spring |   |  |              |  |
|---------------------|---|--|--------------|--|
| Complete            | Course ID                               | Course Title                             | Credit Hours | Notes  |
| Required Courses    |   |  |              |  |
