Letters of reference are **required** for the Presidential Gold Scholarship (1 letter) and the Presidential Leadership Scholarship (2 letters). Second year recipients do not need new letters of reference for the Presidential Gold Scholarship and the Presidential Leadership Scholarship. Reference letters are recommended for other scholarships.

Letters of reference should be from organizational representatives who have observed your leadership skills. Examples include school administrators, faculty, or counselors, church leaders, volunteer organization supervisors, and employers. Letters from relatives or neighbors are not acceptable, unless a relative serves as an administrator of the student's home school.

There are two ways to complete the letter of reference. Reference letter requests can be emailed directly from HCC to a referrer by using Option 1 below. They can also be downloaded and printed, or emailed using Option 2 below.
