

HCC Online Courses – Where do students begin?

Students will have the opportunity to practice with the Student Orientation

All HCC courses online will have a similar “look and feel” navigation as shown below

The screenshot displays the LearningZone Student Orientation interface. At the top, there is a blue header with the LearningZone logo on the left and navigation links for 'Courses', 'Grades', and 'Calendar' in the center. A user name 'Nan' is visible in the top right corner. Below the header, the page title is 'LearningZone Student Orientation' with a breadcrumb trail: 'Home > LearningZone Student Orientation > Modules'. On the left side, there is a vertical navigation menu with the following items: Home (highlighted), Help and Resources, Announcements, Assignments, Discussions, People, Grades, Pages, Outcomes, Files, Syllabus, Quizzes, Modules, Conferences, Collaborations, and Settings. The main content area shows a list of modules under the 'Modules' section. Each module is represented by a row with a three-dot menu icon on the left, a title, a green checkmark icon, and a settings gear icon on the right. The modules are grouped into three sections: 'Introduction to LearningZone', 'Customizing LearningZone', and 'Completing Tasks in Your Courses'. The 'Introduction to LearningZone' section includes: 'Dashboard Navigation', 'How do I view my courses?', 'Course Navigation', 'Getting Help in LearningZone', and 'Downloading the Mobile App'. The 'Customizing LearningZone' section includes: 'What are my Profile and User Settings?', 'How do I set my Notification Preferences?', 'How do I connect to web services outside of LearningZone?', and 'How do I customize my Courses dropdown menu?'. The 'Completing Tasks in Your Courses' section includes: 'Submitting an Assignment'. At the bottom left of the page, the URL 'https://e.hutchcc.edu' is visible.
