

HUTCHINSON COMMUNITY COLLEGE PARAMEDIC

FIELD OPERATIONS ONE DAY ONLY TUESDAY, JUNE 9 2019 KANSAS STATE FAIRGROUNDS

Attention: Law Enforcement Agencies! Promote your service

HutchCC Paramedic Field Operations is a unique event to promote your service
and build on inter agency relationships.

Field Operations is the largest gathering of paramedic students in the state of Kansas.

**Our purpose for this event is for students to gain experience caring for the sick and injured
in high volume, "real life" situations, in real time with all the bells and wheels.**

Bring a marked vehicle and/or uniformed officers to work beside students
from several colleges/universities in various stages of their training.

Network with 9-1-1 communications, fire departments other law enforcement agencies and
Emergency Department staff.

Reserve the opportunity to speak to over 100 students

Registration is FREE and comes with two nights lodging, two meals, fuel for service vehicles.

Register online at www.hutchcc.edu/ems

Hutchinson Community College Paramedic Field Operations 2020

Promote your agency. Over 100 paramedic students and 300 participants.

Build inter-agency relationships.

This is a great opportunity to promote your department to paramedic students and all participants.

This event exposes paramedic students to various agencies and the opportunities to interact with experienced personnel, work in and with real service vehicles, equipment and gain valuable knowledge and experience.

Registration and attendance is free for all agencies and individuals.

This year, we anticipate students from Barton County, Central Jackson County Fire, Coffeyville, Cowley College, Garden City, Hutchinson Community College, Missouri Southern State University and University of Missouri Kansas City – School of Medicine.

On Tuesday evening, all students will be gathered at approximately 6:15 p.m. to listen to the opportunities and benefits of agencies represented. Each agency is allotted up to 5 minutes to promote. When you complete the online registration, please list who will be giving the presentation for your agency.

Some helpful but optional items to bring include:

- Service information/brochures
- Pens, lanyards, water bottles, or any other recruiting material. These items may be placed in our designated area for all attendees and/or placed in student bags. *If possible, please bring items prior to the event; however, if this is not possible, items may be brought to the check-in table on the day of the event.*
- Banners/signs to advertise agency. (Your agency will be responsible for hanging and removing.)

For interested organizations, a monetary sponsorship with an advertisement of your company LOGO on the HuthcCC Paramedic Field Operations event t-shirt (included with advance registration) is available.

Additional Information:

The employee/volunteers you send will be representing your agency. They **must register** on-line to have their name(s) on the event roster and to receive any event information and notifications.

Fuel for service vehicles is provided on arrival, during operations, and at the end of the event.

Lodging is provided. Please bring your own toiletries and bedding items. Lodging is barrack style with male/female showers. Air conditioning is not available.

Thank you for your involvement in this year's annual Field Operations. Your participation helps to create more realistic training scenarios, which enhances the educational experience and allows us to continue this event each year. We look forward to seeing you there!
