

Hutchinson Community College Cosmetology is committed to providing a safe and healthy environment for its employees, students and customers.

It is expected that everyone individually and collectively will actively participate in the following guidelines:

- We are booking clients in a manner that keeps the facility at half capacity to allow for adequate social distancing.
- No clients will be allowed in the waiting room. Clients should call from the parking lot when they arrive and await further instruction before entering.
- A plexiglass divider will be installed at the front desk.
- Masks are required to be worn by all clients and all students. We will have disposable masks available if a client does not have one.
- We will use every other shampoo sink when shampooing clients.
- All clients & students will sanitize their hands before beginning the service.
- Students will clean their chairs & shampoo chairs after every use.
- Our COVID procedures will be explained to clients when booking appointments.

We appreciate your cooperation in adhering to these guidelines.
