Hutchinson Community College

Paramedic Program Outcomes

The following information is available for calendar year 2025 as reported to CoAEMSP for continuing accreditation of the HutchCC Paramedic program:

NREMT Cognitive Exam Success Rate:	100%
Positive Placement Rate for Graduates:	100%
Student Retention Rate:	86%

CoAEMSP defines positive placement as "Employed full or part-time in a related field and/or continuing his/her education and/or serving in the military." Positive placement is measured at the completion of the program.
