Dear Bonnie:

The Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) affirms the compliance with the 2018 CAHIIM Standards for the **Associate Degree Program** at **Hutchinson Community College in Hutchinson, KS**. The program is in **good standing** based on the documentation provided to prove compliance with the 2018 CAHIIM Standards: Standard 9: Program Director Responsibilities, Standard 10: Faculty, Standard 11: Faculty Qualifications, Standard 18: Curriculum, Standard 20: Course Sequence, Standard 19: Syllabi, and Standard 23: Professional Practice Experience.

The program will undergo comprehensive review during the **2029-2030** accreditation cycle.

Please do not hesitate to reach out to CAHIIM if you require any further clarification on the status of your accreditation.

Sincerely,

Angela Kennedy
