

Student On-Campus Resources

HUTCHCC BLUE DRAGON PANTRY

Close to 40% of college students in the U.S. deal with food insecurity. This can force them to choose between books and food. Studies have shown that students perform better in the classroom when they are not dealing with hunger.

The HutchCC Blue Dragon Pantry is open in Rimmer Learning Resource Center for HutchCC students to stop by to pick up food and hygiene products (shampoo, bar soap, laundry detergent, etc.). There are also "pop up" pantries around campus and at outreach locations.

CLOTHING CLOSET

Hosted by student group Catholic & Non-Catholic Connections, campus sponsor - 620-665-3431. Free for all HutchCC students. Located on main campus. Call for availability.

HUTCHINSON COMMUNITY COLLEGE

STUDENT Success CENTER

Student Success Center

Committed to success for everyone, the Student Success Center is ready to help students succeed in their educational career. We have a caring staff that is prepared and trained in providing excellent academic support. We are available to counsel students in the academic and life skills needed to succeed at the collegiate level.

We provide a 'one-stop shop' approach, bundling a variety of student services into a convenient location. From counseling, advising and social work services, just walk in our door in the Parker Student Union, and we are ready and willing to help students.

We are also able to liaison with other offices and areas on campus to help students navigate the sometimes confusing world of collegiate life with ease, clearing the way for them to achieve their educational goals.

Services

STUDENT ADVOCATE

Our Student Advocate provides one-on-one academic support for students who desire to improve their study skills, time management, reading comprehension, and/or test taking strategies. An initial meeting includes talking with the student about their needs, their current practices, and sharing resources with them. For some students, one meeting is all that is necessary; other students request additional accountability, which can be arranged via follow up meetings, phone calls, or email/texts. Students are also encouraged to watch the Bridge Tutorials that are available to all HutchCC students.

Students should stop by the Student Success Center in the Parker Student Union to schedule an appointment or call at (620) 665-3377.

Services

PERSONAL COUNSELING AND SOCIAL WORK SERVICES

Our licensed, professional counselors (therapists) provide a confidential and empathetic environment in which students may seek assistance with troubles they face. Our counseling services are designed to assist students with emotional, behavioral, or social problems that may interfere with successfully attaining their college goals. Although a wide range of services are able to be addressed, some of the typical counseling needs among college students include:

- Stress and anxiety
- Loneliness
- Relationship problems (family, friends, roommates, romantic relationships)
- Eating and sleeping disorders
- Academic issues (possible referral for additional services)
- Alcohol and substance misuse (possible referral for misuse supports)
- Accessing food, hygiene supplies, school supplies, books and/or clothing
- Crisis supports (possible referral for additional services)

Counseling and social work services are FREE to current students. Students in need of long-term or clinical psychological treatment or substance misuse treatment are referred to outside agencies and services. To schedule an appointment, stop by the Student Success Center in the Parker Student Union or call (620) 665-3377.

CAREER COUNSELING

HutchCC counselors assist current and prospective students through the process of exploring career options, gathering personal and occupational information, and making sound career decisions. Counselors assist students in the career decision making process using a variety of assessments including interest and personality inventories and work values questionnaires. These services are FREE to current students. A nominal fee will be charged for non-students. Stop by the Student Success Center in the Parker Student Union to schedule an appointment or call (620) 665-3377.

Services

ACCESSIBILITY SERVICES

HutchCC is committed to providing equal access to students with disabilities, through appropriate accommodations and services, based on individual, documented need. Post-secondary accommodations require student self-advocacy and independence. All information held in the Accessibility Services Office is considered confidential and will only be used for academic purposes without written student consent. The Accessibility Services Office is located in the Student Success Center in the Parker Student Union. Types of accommodations may include, but are not limited to:

- Notetaker or scribe
- Extended time on tests
- Testing in a reduced-distraction environment
- Books in alternate format
- Sign language interpreters
- Assistive technology

Students who wish to request accommodations based upon documented disabilities should contact Coordinator of Accessibility Services at (620) 665-3554 to schedule an intake interview. During this initial meeting, discussion will focus on how the disability affects the student and what accommodations will be needed.

Students are required to provide appropriate documentation of their disability to the Accessibility Services Office who will determine if the documentation provided is adequate to both establish the existence of a qualifying disability and to support the requested accommodations.

Students must request accommodations every semester, and the request should be made far in advance. Students must notify the Accessibility Services Office of any schedule changes.
