

**HUTCHINSON**  
COMMUNITY COLLEGE

96th Annual

# Commencement

May 3, 2024

Hutchinson, Kansas

## *History of the College*

In the spring of 1928, Hutchinson voters approved the establishment of a two-year co-educational college to be known as the Hutchinson Junior College. The college held its first classes that fall. Enrollment was 187 students – 172 freshmen and 15 sophomores. The first year enrollment was larger than that of any junior college in the state. Before the year closed, the total enrollment had climbed to 209, the second largest enrollment in Kansas behind only Kansas City Junior College.

Classes were held on the second and third floors of a newly constructed addition to Hutchinson High School at Seventh and Walnut.

The first commencement of the College was held May 23, 1929, with a graduation class of seven students.

In February 1938, the Board of Education acquired land on Plum Street and built Lockman Hall. Since then, a technical education building, athletic field, stadium, tennis courts, maintenance and warehouse buildings, a student union with two additions, two residence halls, a library, a science building, a fine arts center and an athletic complex have been added to the main campus. The college also utilizes the Hutchinson Sports Arena, providing maintenance of the building in exchange for its use.

On July 1, 1965, the college's name was changed to Hutchinson Community Junior College and governance was transferred to an elected board of trustees. The name was changed again in 1980 to Hutchinson Community College.

Throughout Reno County, the college also has a 425 acre south campus, the Bob and Lou Peel Allied Health Center, the Fire Science Training Center and its Cosmetology facility. In addition, the college has sites in McPherson and Newton.

## *A Message From the President*

Congratulations! On behalf of the Hutchinson Community College family, I extend our best wishes to the Class of 2024. I also want to commend all graduates on your efforts as you pursued your degree or certificate. You each showed tenacity, grit, and adaptability to complete your studies and achieve your goals. You demonstrated what True Blue Excellence looks like. Well done, fellow Blue Dragons.

For some of you, your graduation is another step in the process and you'll be moving on to further your education. For others, this is the culmination of much effort as you prepare to enter the workforce.

I would like to give special thanks to the parents, spouses, children and friends of our graduates for their patience, understanding, sacrifices and support.

In the coming years, I would ask that you not forget your college, instructors and fellow and future Blue Dragons. I encourage you to not only give back to the college by supporting college activities, programs and scholarships, but also by keeping us updated on the many achievements you will experience in your careers and personal lives.

The power of education can't be measured, unless you count its power to create a career, a life, provide for a family and most importantly – pave the way for a better tomorrow.

Congratulations on completing your Hutchinson Community College education!

Dr. Carter L. File  
President

### *Hutchinson Community College Board of Trustees*

**Mr. Terry Bisbee, Chairperson**

**Mr. Bob Snyder, Vice-Chairperson**

**Mr. Rod Calhoun**

**Mr. David Marshall**

**Mr. Todd Miller**

**Mr. Mo Penny**

**Ms. Jan Young**

# Awards & Recognitions

## Young Kansan Award

Hutchinson Community College is appreciative of the support it receives from RCB Bank for the annual Young Kansan Award. The Young Kansan Award recognizes two outstanding graduates each year and is chosen by a vote of the faculty and administration at the college. Each winner received a plaque and a cash honorarium at a reception held earlier in the month.

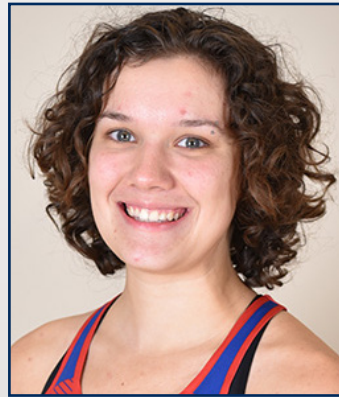

### **Megan Ratzlaff**

Megan has served in officer positions for the Phi Theta Kappa Kappa Gamma Chapter as well as the Hutchinson Community College’s Honors Program’s Honors Student Council and Cru (Campus Crusade for Christ).

Megan is one of 459 community college students nationwide who were named semi-finalists in the 2024 Jack Kent Cooke Undergraduate Transfer Scholarship competition. She is the only student listed for the state of Kansas who will advance to the finalist round. In addition to this, she is one of 150 community college students nationwide who were named to the 2024 Coca-Cola Academic Team.

After graduation, Megan will attend Sterling College majoring in Political Science & History.

### **Ellie Van Zelfden**

Ellie is a tutor for Rimmer and has done a fantastic job. From one of her nominators: “She is responsible, caring, and willing to go the extra mile for anyone who comes in for help. Every time I see her in a conversation on campus she is engaged and truly sees value in the person.”

Ellie is an outstanding young Kansan who has an amazing future ahead of her. Ellie is also a member of the HutchCC track team where she excelled.

After graduation, Ellie plans to attend Fort Hays State University.

---

2003 - 2023*

### **BILL SHELDON**

*English Instructor  
1991 - 2024*

### **BRENDA TAYLOR**

*Custodian, Shears Technology Center  
1998 - 2024*

## ***Alumnus of the Year - Rick Stone***

Rick Stone grew up in the small town of Larned, Kansas, with a love for the radio. He began his higher education in 1976 at Fort Hays University majoring in Communications, specifically in Radio/Television Broadcasting. He attended FHSU for three years and then worked at several radio stations across the state. At one of those stations, KNDY Radio in Marysville, KS, he was employed as the Sports Director.

In 1982, Stone changed his original educational path to pursue a degree in Pharmacy, enrolling in Pre-Pharmacy at Hutchinson Community College for the spring semester. After earning his Associate of Science Degree in 1984, he headed to the University of Kansas School of Pharmacy, graduating in 1987.

While studying at HutchCC, Rick's favorite instructor was Robert Glynn who taught chemistry, but his advisor and math professor, Kendall Griggs, was instrumental in helping him succeed. "I spent a lot of time studying and in the science labs. HutchCC gave me the science knowledge base that was imperative for succeeding in my courses at Kansas University. I feel it is also the best community college for any pre-pharmacy major in the state of Kansas."

After pharmacy school, Rick worked for Dillons Pharmacies until September 2000 when he purchased The Medicine Shoppe. The Medicine Shoppe takes pride and is dedicated to the well-being of family and the community. It is the only independent pharmacy left in the city of Hutchinson.

"HutchCC has been a great partner for my business with the biggest asset being the relationships I have built with the 25+ college students over the years. I couldn't have done it without them. It's a win/win situation. The students get valuable pharmacy experience and I get conscientious and smart employees. I have great admiration for HutchCC."

Currently all the pharmacists at The Medicine Shoppe are HutchCC grads, along with the majority of his staff. A total of 20 HutchCC students who worked at the pharmacy are now pharmacists or currently attending KU Pharmacy School.

He is not the only alum in his household as HutchCC has become a family tradition. The long line of Blue Dragons includes his father, sister, brother, wife Debbi and daughters Lacey and Layne, along with many nieces and nephews. His mother-in-law is also a huge HutchCC basketball fan and doesn't miss a home game.

Rick has been a generous supporter of the Presidential Scholarship Program for many years and enjoys meeting his scholars at campus events. We thank him for his immense philanthropy to Hutchinson Community College, its students, and the community.

---

### ***Academic Regalia***

Hutchinson Community College graduates wear academic regalia signifying their membership in an honors organization recognized by the college. These organizations, their purpose, and a description of the regalia follow:

#### Phi Theta Kappa

Nationally-recognized academic honorary society for community colleges. Graduates wear gold stoles.

#### Hutchinson Community College Honors Graduate

Students completing the honors curriculum. Graduates wear HutchCC Honors Medallions.

#### Delta Psi Omega

National honors theatre fraternity for community college students. Graduates wear silver and red cords.

#### Recognition for Military Service

Graduates with military service will be wearing red, white and blue cords.

### ***Program Notes***

Whether the individual is the first or last to receive a degree in the graduation ceremony, the conferring of that degree is a very special event for every graduate and family. Please be considerate in your noise and celebration as the names are announced, and please remain seated until the conclusion of the ceremony.

#### For Your Safety

In accordance with the Kansas State Fire Marshal Regulations, we request you take a moment and identify the two emergency exits closest to you. Emergency Medical Services will be located in the southeast corner of the Arena gym.

#### Photography & Video

A professional photographer will take a picture of each graduate when they receive their diploma. A few weeks after the ceremony, a proof and information about ordering pictures online with a PIN number will be sent to the student's DragonZone email.

Today's ceremony will be streamed through the college website at  
[www.hutchcc.edu/graduation](http://www.hutchcc.edu/graduation)

# Ceremony Program

**Prelude** ..... HutchCC Symphonic Band, Eric Stambaugh, Director  
“American Fanfare” (Rick Kirby)

# Awards & Recognitions

## *Dragon Educator of the Year Award*

The Dragon Educator of the Year Award is presented annually to an instructor from Hutchinson Community College. This person was nominated exclusively by the students and has been chosen after a selection process conducted by the Student Government Association. The recipient, as well as all of the finalists, exemplifies outstanding performance in teaching. All of the finalists have gone above and beyond their responsibilities to ensure the success of their students.

### *2023 - 2024 Finalists*

***ERIN BEAVERS***  
*Professor of  
Chemistry*

***TRACY CHADWICK***  
*Computer Drafting  
Professor/Coordinator*

***LISA ELSTUN***  
*Practical Nursing  
Instructor*

***TERRI MCQUEEN***  
*Professor of  
Mathematics*

***KIMBERLY  
NEWBERRY***  
*Professor  
of Sociology*

***MILISSA  
STEFFEN***  
*Associate Degree  
Nursing Program  
Instructor*

***DR. SUSAN  
O'SULLIVAN***  
*Physical Therapist  
Assistant Coordinator*
