They agree to coordinate with each other when curriculum changes occur that will affect the curriculum outline of courses noted in the attached curriculum guide for both degrees. If such changes occur, the responsible institution will notify the other and initiate an amendment or revision of the agreement, ensuring that students are always aware of the most up-to-date requirements.

Each institution will individually market and promote this agreement.

This agreement can be terminated at any time with a minimum of 12 months' notice from one institution to the other. Should this agreement be terminated at any time, all students currently participating in the agreement will be afforded an applicable and appropriate amount of time to complete the degrees.

This agreement shall be reviewed every five years to determine whether it should continue, be revised, or terminated.
