

**2 + 2 Agreement Between  
Hutchinson Community College and Bethany College**

The purpose of this 2+2 agreement is to provide a mutually beneficial relationship between Hutchinson Community College (HutchCC), Bethany College (BC), and students desiring to complete an Associate of Arts degree following a Criminal Justice Administration transfer pathway at HutchCC, and a Bachelor of Arts degree, majoring in Criminal Justice, at BC. This agreement outlines the necessary courses to be taken at each institution to fulfill the corresponding requirements thereby providing a clear path for students to follow. The student will complete their first two years at HutchCC and a subsequent two years at BC.

BC stipulates that if a student completes the list of courses for the Associate of Arts degree following the Criminal Justice Administration transfer pathway at HutchCC, they will have fulfilled and satisfied the core experience requirements for the Bachelor of Arts degree in Criminal Justice with the exception of the Bethany Quest courses and the interdisciplinary studies religion and research requirements.

This agreement does not remove the requirement for students to meet the general admission requirements and any additional specific degree requirements outlined in the BC catalog.

Both institutions will work with students to provide advising, guidance and additional student support services throughout their time at each institution.

Each institution agrees to coordinate with one another when curriculum changes occur that will affect the included outline of courses for both degrees. Should curriculum changes occur at either college, it will be their responsibility to notify the other institution and initiate an amendment or revision of this 2+2 agreement.

Each institution will individually market and promote this agreement.

This agreement can be terminated at any time with a minimum of 12 month's notice from one institution to the other. Should this agreement be terminated at any time, all students currently participating in the agreement will be afforded an applicable and appropriate amount of time to complete the degrees.

This agreement shall be reviewed every five years to determine whether it should continue, be revised or terminated.

This agreement shall commence on the date of the last completed signature. Both institutions shall receive a copy of the signed agreement and shall keep it on file and implemented for the term of the agreement.
