

**HUTCHINSON**  
COMMUNITY COLLEGE

97th Annual  
**Commencement**

May 9, 2025  
Hutchinson, Kansas

## ***History of the College***

In the spring of 1928, Hutchinson voters approved the establishment of a two-year co-educational college to be known as the Hutchinson Junior College. The college held its first classes that fall. Enrollment was 187 students – 172 freshmen and 15 sophomores. The first year enrollment was larger than that of any junior college in the state. Before the year closed, the total enrollment had climbed to 209, the second largest enrollment in Kansas behind only Kansas City Junior College.

Classes were held on the second and third floors of a newly constructed addition to Hutchinson High School at Seventh and Walnut.

The first commencement of the College was held May 23, 1929, with a graduation class of seven students.

In February 1938, the Board of Education acquired land on Plum Street and built Lockman Hall. Since then, a technical education building, athletic field, stadium, tennis courts, maintenance and warehouse buildings, a student union with two additions, two residence halls, a library, a science building, a fine arts center and an athletic complex have been added to the main campus. The college also utilizes the Hutchinson Sports Arena, providing maintenance of the building in exchange for its use.

On July 1, 1965, the college's name was changed to Hutchinson Community Junior College and governance was transferred to an elected board of trustees. The name was changed again in 1980 to Hutchinson Community College.

Throughout Reno County, the college also has a 425 acre south campus, the Bob and Lou Peel Allied Health Center, the Fire Science Training Center and its Cosmetology and Barbering facility. In addition, the college has sites in McPherson and Newton.

## ***A Message From the President***

Congratulations! On behalf of the Hutchinson Community College family, I extend our best wishes to the Class of 2025. I also want to commend all graduates on your efforts as you pursued your degree or certificate. In doing so, you each showed tenacity, grit, and adaptability to complete your studies and achieve your goals. You demonstrated what True Blue Excellence looks like. Well done, fellow Blue Dragons!

Special thanks to the parents, spouses, children, and friends of our graduates for their patience, understanding, sacrifices, and support that mean so much. You've listened, helped, struggled alongside - and now you all get to celebrate together!

For some of you, your graduation is another step in the process, and you will be moving on to further your education. For others, this is the culmination of much effort as you prepare to enter the workforce. No matter your path, you are and always will be Blue Dragons!

In the coming years, I ask that you remember your college, instructors, and fellow and future Blue Dragons. I encourage you to keep us updated on the many achievements you will surely experience in your careers and personal lives, and also give back to the college by supporting college activities, programs, and scholarships.

The power of education cannot be measured, unless you count its power to create a career, a life, provide for a family and most importantly – pave the way for a better tomorrow.

Congratulations on your graduation from Hutchinson Community College!

Dr. Tricia Paramore, President

### ***Hutchinson Community College Board of Trustees***

**Mr. Bob Snyder, Chairperson**

**Mr. David Marshall, Vice-Chairperson**

**Mr. Terry Bisbee**

**Mr. Rod Calhoun**

**Mr. Todd Miller**

**Mr. Mo Penny**

**Ms. Jan Young**

# Awards & Recognitions

## Young Kansan Award

Hutchinson Community College is appreciative of the support it receives from RCB Bank for the annual Young Kansan Award. The Young Kansan Award recognizes two outstanding graduates each year and is chosen by a vote of the faculty and administration at the college. Each winner received a plaque and a cash honorarium at a reception held earlier in the month.

### ***Maggie Adolf***

Originally from Moundridge, Kansas, Maggie Adolf is a graduate of Moundridge High School and a proud alumna of the HutchCC Cosmetology program. Currently, she is working toward a degree in Business Management and Entrepreneurship, driven by her ambition to one day open her own salon.

Maggie's leadership and involvement extend beyond the classroom. She holds the distinction of being a Leadership Scholar and serves as a student Ambassador. She is also an active member of CrossPoint Challenge, contributes to the Dance Club as a board member, and supports fellow students through her role in the Student Success Center.

### ***Key'ahn Taylor***

Key'ahn Taylor, from Junction City, Kansas and graduate of Junction City High School, is completing the HutchCC Fire Science program.

An engaged member of the campus community, Key serves as a Resident Assistant in the Residence Halls and actively participates in several student organizations, including the Student Firefighter Association, Student Government, and Dance Club.

Following graduation, he plans to pursue a firefighting career in the Manhattan area.

## Alumnus of the Year - Greg Gordon

Born in Independence, KS, Greg Gordon moved to Hutchinson at the age of six. He attended Allen and Roosevelt Grade Schools, Liberty Junior High, and Hutchinson High School, where he learned the importance of education, hard work, and forming meaningful relationships. His parents played a significant role in shaping his values, encouraging both academic success and entrepreneurial spirit through neighborhood mowing and snow shoveling jobs.

After graduating from Hutchinson High School in 1970, he continued his education at Hutchinson Community College. The opportunity to stay close to home while working 30-35 hours a week at Dillons allowed him to gain a strong academic foundation while managing his responsibilities. His studies in business administration and accounting prepared him to further his education and launch a successful career in the business world. He fondly remembers the impact of professors such as Roy Broxterman, Willie Adkins, David Lane and Dave Blackim. The smaller class sizes and engaging discussions set the stage for his continued academic achievements at Wichita State University.

At WSU, he encountered larger class sizes and new challenges, but the advanced business and accounting courses further enhanced his professional skills. With a well-rounded education, he confidently pursued career opportunities, joining Consolidated Manufacturing in Hutchinson, where he entered a newly developed management training program. His passion for automobiles made this position an ideal fit, launching a career that spanned over four decades in the automotive remanufacturing industry. After 32 years at Consolidated, he transitioned to a California-based company to contribute to a new Chrysler remanufacturing program. His professional achievements include being named Remanufacturer of the

Year and serving as President of the Production Remanufacturing Association in 1987 and 1988.

Beyond his career, his greatest pride lies in the accomplishments of his family. He and his wife, Kay, met at the age of 15 and shared a lifelong commitment to education and success, marrying in 1974. Both graduated from HutchCC in 1972 and WSU in 1974, with Kay earning a degree in elementary education. Their three children and spouses - Ryan & Joah Gordon, Amber & Tyler Goetz, and Ashley & David Farney - followed in their footsteps, excelling academically at Kansas institutions. Amber, Tyler, Ashley and David all attended HutchCC.

Now retired, Greg remains active in the community by serving on the Hutchinson Community College Endowment Board and Finance Committee, as well as with the Downtown Hutch Rod Run. A past president of the Central Kansas Corvette Association, he also helps organize the Kansas State Fair Invitational Car Show. His previous board service includes roles with Hutchinson Hospital and First National Bank of Hutchinson. Outside of his community involvement, Greg and Kay enjoy spending time with their five grandchildren (with one on the way), attending their sporting events and other activities. They also spend time in the Table Rock Lake and Branson area.

Reflecting on his journey, he emphasizes the importance of education and maintaining a balance between career and personal life. His advice to students entering the automotive field is to seek as much education and technical training as possible, paired with a strong foundation in business, sales, and service.

"My journey from HutchCC to today has been very consistent," he said. "Kay and I had our plans made during high school, and we were fortunate to accomplish our goals in both career and family. I am very proud and humbled to be selected as the 2025 Alumnus of the Year. It is an honor to serve on the Endowment Board, to meet the students benefiting from our family endowed scholarship and to support HutchCC athletic events."

---

### Academic Regalia

Hutchinson Community College graduates wear academic regalia signifying their membership in an honors organization recognized by the college. These organizations, their purpose, and a description of the regalia follow:

#### Phi Theta Kappa

Nationally-recognized academic honorary society for community colleges. Graduates wear gold stoles.

#### Hutchinson Community College Honors Graduate

Students completing the honors curriculum. Graduates wear HutchCC Honors Medallions.

#### Delta Psi Omega

National honors theatre fraternity for community college students. Graduates wear silver and red cords.

#### Recognition for Military Service

Graduates with military service will be wearing red, white and blue cords.

### Program Notes

Whether the individual is the first or last to receive a degree in the graduation ceremony, the conferring of that degree is a very special event for every graduate and family. Please be considerate in your noise and celebration as the names are announced, and please remain seated until the conclusion of the ceremony.

#### For Your Safety

In accordance with the Kansas State Fire Marshal Regulations, we request you take a moment and identify the two emergency exits closest to you. Emergency Medical Services will be located in the southeast corner of the Arena gym.

#### Photography & Video

A professional photographer will take a picture of each graduate when they receive their diploma. A few weeks after the ceremony, a proof and information about ordering pictures online with a PIN number will be sent to the student's DragonZone email.

Today's ceremony will be streamed through the college website at  
[www.hutchcc.edu/graduation](http://www.hutchcc.edu/graduation)

# Ceremony Program

*The Hutchinson Community College Alumni & Friends invites graduates and guests to a reception in the Hutchinson Sports Arena northwest gymnasium immediately following the commencement ceremony.*

# Awards & Recognitions

## Dragon Educator of the Year Award

The Dragon Educator of the Year Award is presented annually to an instructor from Hutchinson Community College. This person was nominated exclusively by the students and has been chosen after a selection process conducted by the Student Government Association. The recipient, as well as all of the finalists, exemplifies outstanding performance in teaching. All of the finalists have gone above and beyond their responsibilities to ensure the success of their students.

### 2024 - 2025 Finalists

**DR. RYAN  
DIEHL**  
English  
Professor

**SYDNEY  
FOUNTAIN**  
Psychology  
Instructor

**KIMBERLY  
NEWBERRY**  
Sociology  
Professor

**SCOTT  
ROMEISER**  
Biological Sciences  
Instructor

**MATT  
SMITH**  
Associate Professor  
of Business

---

## HutchCC Employee Retirements

**NEAL ALLSUP**  
Professor/Director of Choral Activities  
1988 - 2025

**ROSE FRAGOZA**  
Traffic Coordinator - Radio Kansas  
1991 - 2024

**CAROLYN PARSON**  
Coordinator, Kansas Promise Act  
1983 - 2025

**PHIL ANDERSON**  
Assistant Women's Basketball Coach  
2016 - 2025

**TRUDEE LITTLE**  
Administrative Assistant to the  
Vice President of  
Finance & Operations  
2021 - 2025

**DAN POHL**  
Professor of English  
1985 - 2025

**BRIAN BIRD**  
Professor of Physics/Physical Science  
2003 - 2025

**RAY RICE**  
Custodian  
2014 - 2024

**RACHEL SANTINE**  
Professor of Speech  
2000 - 2024

**GREG BREWER**  
Custodian  
1999 - 2024

**SANDY PANGBURN**  
Coordinator, Practical  
Nursing Program  
1998 - 2024

**JO STROPES**  
Professor of Speech, Outreach  
2018 - 2024

**TERI ECKHOFF**  
Advisor, General Education  
2001 - 2025

**BRENDA TAYLOR**  
Custodian  
1998 - 2024
