

HUTCHINSON
COMMUNITY COLLEGE

98th Annual

2026

Commencement

MAY 8, 2026
HUTCHINSON, KS

History of the College

In the spring of 1928, Hutchinson voters approved the establishment of a two-year co-educational college to be known as the Hutchinson Junior College. The college held its first classes that fall. Enrollment was 187 students – 172 freshmen and 15 sophomores. The first year enrollment was larger than that of any junior college in the state. Before the year closed, the total enrollment had climbed to 209, the second largest enrollment in Kansas behind only Kansas City Junior College.

Classes were held on the second and third floors of a newly constructed addition to Hutchinson High School at Seventh and Walnut.

The first commencement of the College was held May 23, 1929, with a graduation class of seven students.

In February 1938, the Board of Education acquired land on Plum Street and built Lockman Hall. Since then, a technical education building, athletic field, stadium, maintenance and warehouse buildings, a student union with two additions, two residence halls, a library, a science building, a fine arts center, an athletic complex and pickleball courts and an outdoor stage have been added to the main campus. The college also utilizes the Hutchinson Sports Arena through a cooperative agreement with the City of Hutchinson.

On July 1, 1965, the college's name was changed to Hutchinson Community Junior College and governance was transferred to an elected board of trustees. The name was changed again in 1980 to Hutchinson Community College.

Throughout Reno County, the college also has a 425 acre south campus, the Bob and Lou Peel Allied Health Center, the Fire Science Training Center and its Cosmetology and Barbering facility. In addition, the college has sites in McPherson and Newton.

A Message From the President

Congratulations! On behalf of the Hutchinson Community College family, I extend our best wishes to the Class of 2026 and commend all graduates on your efforts as you pursued your degree or certificate. In doing so, you each showed tenacity, grit, and adaptability to complete your studies and achieve your goals. You demonstrated what True Blue Excellence looks like. Well done, Blue Dragons!

Special thanks to the parents, spouses, children, and friends of our graduates for their patience, understanding, sacrifices, and support that mean so much. You've listened, helped, struggled alongside - and now you all get to celebrate together!

For some of you, your graduation is another step in the process, and you will be moving on to further your education. For others, this is the culmination of much effort as you prepare to enter the workforce. No matter your path, you are and always will be Blue Dragons!

In the coming years, I ask that you remember your college, instructors, and fellow and future Blue Dragons. I encourage you to keep us updated on the many achievements you will surely experience in your careers and personal lives, and also give back to the college by supporting college activities, programs, and scholarships.

The power of education cannot be measured, unless you count its power to create a career, a life, provide for a family and most importantly – pave the way for a better tomorrow.

Congratulations on your graduation from Hutchinson Community College!

Dr. Tricia Paramore
President

the commencement ceremony.***

Awards & Recognitions

Dragon Educator of the Year Award

The Dragon Educator of the Year Award is presented annually to an instructor from Hutchinson Community College. This person was nominated exclusively by the students and has been chosen after a selection process conducted by the Student Government Association. The recipient, as well as all of the finalists, exemplifies outstanding performance in teaching. All of the finalists have gone above and beyond their responsibilities to ensure the success of their students.

2025 - 2026 Finalists

Amber Carithers

**ENGLISH
INSTRUCTOR**

Dr. Ryan Diehl

**ENGLISH AND POLITICAL
SCIENCE PROFESSOR**

Eric Stambaugh

**MUSIC INSTRUCTOR -
BAND DIRECTOR**

Matt Wilper

**ECONOMICS
ASSOCIATE PROFESSOR**

Academic Regalia

Hutchinson Community College graduates wear academic regalia signifying their membership in an honors organization recognized by the college. These organizations, their purpose, and a description of the regalia follow:

PHI THETA KAPPA

Nationally-recognized academic honorary society for community colleges. Graduates wear gold stoles.

HUTCHINSON COMMUNITY COLLEGE HONORS GRADUATE

Students completing the honors curriculum. Graduates wear HutchCC Honors Medallions.

DELTA PSI OMEGA

National honors theatre fraternity for community college students. Graduates wear silver and red cords.

RECOGNITION FOR MILITARY SERVICE

Graduates with military service will be wearing red, white and blue cords.

FACULTY REGALIA

Faculty wear different regalia to represent their academic degrees, fields of study, and the institutions where they earned them. The colors, hoods, and designs follow traditions established by the Intercollegiate Code of Academic Costume, making it possible to recognize each person's academic background at a glance.

Program Notes

Whether the individual is the first or last to receive a degree in the graduation ceremony, the conferring of that degree is a very special event for every graduate and family. Please be considerate in your noise and celebration as the names are announced, and please remain seated until the conclusion of the ceremony.

FOR YOUR SAFETY

In accordance with the Kansas State Fire Marshal Regulations, we request you take a moment and identify the two emergency exits closest to you. Emergency Medical Services will be located in the southeast corner of the Arena gym.

PHOTOGRAPHY & VIDEO

A professional photographer will take a picture of each graduate when they receive their diploma. A few weeks after the ceremony, a proof and information about ordering pictures online with a PIN number will be sent to the student's DragonZone email.

Today's ceremony will be streamed
through the college website at

WWW.HUTCHCC.EDU/GRADUATION

Awards & Recognitions

Alumna of the Year - Carolyn Carter

For Carolyn Carter, the path to a meaningful career in nursing, and a life dedicated to service, began in a small rural community in Rice County near Saxman, Kansas. With a mother in nursing and a father who farmed the land, Carolyn's early years were grounded in hard work, strong family values, and the quiet resilience of those around her.

After the loss of her father at a young age, Carolyn's family relocated to Hutchinson, where she graduated from Hutchinson High School in 1965. That transition, while difficult, marked the beginning of a lifelong connection to the Hutchinson community.

Carolyn credits much of her early inspiration to the strong women in her life. Her grandmother, a former schoolteacher, instilled in her a deep sense of responsibility and curiosity. Whether tending large gardens or learning skills like crocheting, quilting, and needlework, Carolyn developed a strong work ethic rooted in perseverance and pride in completing what she started. Her mother, a nurse and young widow, reinforced the importance of education and independence, encouraging her children to always have something to rely on through continued learning.

Carolyn began her college journey at Hutchinson Community Junior College, balancing coursework while working as a Certified Nursing Assistant. Her dedication led to earning an Associate of Arts degree in 1979, preparing her for formal nursing training at Wesley School of Nursing. Later, as a working professional

and mother, she returned to Hutchinson Community College to complete additional coursework toward her Bachelor of Science in Nursing. Evening classes made it possible to continue her education while managing family and career responsibilities.

She later earned both her BSN and Master's in Nursing from Wichita State University, demonstrating a lifelong commitment to learning. One unexpected highlight from her time at Hutchinson was a speech class taught by Dave Blackim, which helped her develop communication skills that would prove invaluable in her leadership and educational roles.

Carolyn began her career as an ICU nurse at Wesley Medical Center, where she thrived in a fast-paced environment. After returning to Hutchinson, she transitioned into medical-surgical nursing before pursuing further education that opened new opportunities. Her career evolved into public health, where she became one of the first in Kansas trained in HIV education and counseling. She also conducted disease investigations and provided vital community health education.

Carolyn's commitment to service extends beyond her profession. A lifelong donor to the Hutchinson Community College Endowment Association, she established the Dorothy M. Leonard Memorial Scholarship in honor of her mother. This scholarship supports full-time, non-traditional students accepted into the HutchCC Nursing Program.

Now retired, Carolyn remains active in her community. Her advice: follow your passion, embrace lifelong learning, and always look for ways to help others.

Carolyn Carter's life reflects perseverance, compassion, and a deep commitment to service, making her a truly deserving recipient of the 2026 Alumna of the Year honor.

Awards & Recognitions

Young Kansan Award

The Young Kansan Award recognizes two outstanding graduates each year and is chosen by a vote of the faculty, staff and administration at the college. Each winner received a plaque and a cash honorarium at a reception held earlier in the month. Hutchinson Community College is appreciative of the support it receives from RCB Bank for the annual Young Kansan Award.

Aaron Bartel

A native of Inman and graduate of Inman High School, Aaron is pursuing an Associate of Arts degree with a Pre-Law focus. He plans to transfer to Washburn University as he continues his journey toward becoming an attorney.

A Presidential Scholar, Phi Theta Kappa member, and Honors Student Council chair, Aaron has earned a perfect 4.0 GPA and consistent placement on the President's Honor Roll, graduating with High Honors.

Deeply involved on campus, Aaron contributes to Concert Choir, theatre productions, and the Hutchinson Community Family Theatre, enriching both campus and community. Nominated for Distinguished Dragon in 2025, he leads quietly by example, demonstrating integrity, humility, and a strong work ethic that reflects true Blue Dragon Pride.

Erin Schwertfeger

A proud native of Turon and graduate of Fairfield High School, Erin is pursuing an Associate of Arts in Elementary Education with the goal of becoming a teacher. She serves as Student Government Association President, a Resident Assistant, and works in both the Student Success Center and Residence Hall office, while also contributing to multiple institutional committees.

Known for her strong work ethic and servant leadership, Erin balances her many roles with professionalism, reliability, and a positive attitude. She leads by example, supporting those around her and making a meaningful impact through her dedication, humility, and commitment to her community.
