

2 + 2 Agreement Between

Hutchinson Community College and Pittsburg State University

The purpose of this 2+2 agreement is to provide a mutually beneficial relationship between Hutchinson Community College (HutchCC), Pittsburg State University and students desiring to complete an Associate of Science degree following a Chemistry transfer pathway at HutchCC and a Bachelor of Science degree in Chemistry (Pre-Medicine) at Pittsburg State University. This agreement outlines the necessary courses that can be taken at each institution to fulfill the requirements for an Associate of Science degree at HutchCC following a Chemistry transfer pathway and a Bachelor of Science degree in Chemistry (Pre-Medicine) at Pittsburg State University. The purpose of this agreement is to provide a clear path for students to follow to set them up for a smooth transition to Pittsburg State University. The student will complete their first two years at HutchCC and a subsequent two years at Pittsburg State University. Pittsburg State University agrees that if a student completes the list of courses outlined in the attached curriculum guide for the Associate of Science degree following the Chemistry transfer pathway at HutchCC they will have fulfilled and satisfied the requirements for the first two years of the Bachelor of Science degree in Chemistry (Pre-Medicine) at Pittsburg State University.

This agreement does not remove the requirement for students to meet the general admission requirements and any additional specific degree requirements outlined in the Pittsburg State University catalog.

Both institutions will work with students to provide advising, guidance and additional student support services throughout their time at each institution.

Each institution agrees to coordinate with one another when curriculum changes occur that will affect the curriculum outline of courses noted in the attached curriculum guide for both degrees. Should curriculum changes occur at either of the institutions it will be their responsibility to notify the other institution and initiate an amendment or revision of this 2+2 agreement.

Each institution will individually market and promote this agreement.

This agreement can be terminated at any time with a minimum of 12 month's notice from one institution to the other. Should this agreement be terminated at any time, all students currently participating in the agreement will be afforded an applicable and appropriate amount of time to complete the degrees.

This agreement shall be reviewed every five years to determine whether it should continue, be revised or terminated.

This agreement shall commence on the date of the last completed signature. Both institutions shall receive a copy of the signed agreement and shall keep it on file and implement for the term of the agreement.
