*Note: To complete V4 or V5 identity verification, a student must present an unexpired, valid, government-issued photo identification such as a U.S. passport, a driver's license, or other state-issued ID.*

Check the box that applies below:

- The student appeared in person and presented acceptable identification to an institutionally authorized individual.
- The student was unable to appear in-person and provided the institution with a copy of the acceptable identification presented to a notary and a signed notary statement.
- The student is a confined or incarcerated individual and was verified by an authorized official at the correctional facility where the individual is confined or incarcerated.
