

**2 + 2 Agreement Between
Hutchinson Community College and Friends University**

The purpose of this 2+2 agreement is to provide a mutually beneficial relationship between Hutchinson Community College (HutchCC), Friends University and students desiring to complete an Associate of Science degree following a Cybersecurity transfer pathway at HutchCC and a Bachelor of Science degree in Cybersecurity at Friends University. This agreement outlines the necessary courses that can be taken at each institution to fulfill the requirements for an Associates of Science degree at HutchCC following a Cybersecurity transfer pathway and a Bachelor of Science degree in Cybersecurity at Friends University. The purpose of this agreement is to provide a clear path for students to follow to set them up for a smooth transition to Friends University. The student will complete their first two years at HutchCC and a subsequent two years at Friends University. Friends University agrees that if a student completes the list of courses outlined in the attached curriculum guide for the Associates of Science degree following the Cybersecurity transfer pathway at HutchCC they will have fulfilled and satisfied the requirements for the first two years of the Bachelor of Science degree in Cybersecurity at Friends University.

This agreement does not remove the requirement for students to meet the general admission requirements and any additional specific degree requirements outlined in the Friends University catalog.

Both institutions will work with students to provide advising, guidance and additional student support services throughout their time at each institution.

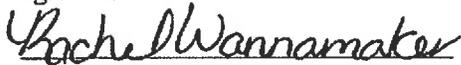

Each institution agrees to coordinate with one another when curriculum changes occur that will affect the curriculum outline of courses noted in the attached curriculum guide for both degrees. Should curriculum changes occur at either of the institutions it will be their responsibility to notify the other institution and initiate an amendment or revision of this 2+2 agreement.

Each institution will individually market and promote this agreement.

This agreement can be terminated at any time with a minimum of 12 month's notice from one institution to the other. Should this agreement be terminated at any time, all students currently participating in the agreement will be afforded an applicable and appropriate amount of time to complete the degrees.

This agreement shall be reviewed every five years to determine whether it should continue, be revised or terminated.

This agreement shall commence on the date of the last completed signature. Both institutions shall receive a copy of the signed agreement and shall keep it on file and implement for the term of the agreement.

** Students completing the BS in Cyber Security at Friends have the option to complete one of the following: Concentration in Business (15 credit hours), Concentration in Math & Science (15 credit hours), or no concentration. A concentration is not required for degree completion but can provide a focus on complimentary coursework that benefits Cyber students. If no concentration is selected, students must complete 15 additional hours of elective credit instead.*

Major Coursework Hours at Friends University: 39 (no concentration) – 54 (one concentration)

General Education Credit Hours at Friends University: 9

Elective Credit Hours at Friends University: 2 (one concentration) – 17 (no concentration)

Total Friends University Credit Hours: 65

Total Credit Hours Required for Degree: 127
