Dear Lions Band Camp Students,

Welcome to Hutchinson Community College! We are excited that you are here on campus and in Blue Dragon Country! Whether this is your first time attending or you're a returning camper, we are thrilled to have you joining us for what promises to be an exciting and rewarding musical experience. My name is Mr. Eric Stambaugh, and I am the director of HCC bands and the head instructor for this week's camp!

This week provides a unique opportunity to not only make incredible music, but also to gain meaningful relationships through music and fellowship. My hope is that you will build lasting friendships, strengthen your musicianship, and learn how to work as part of a team committed to excellence, growth, and pride. Lions band promises to challenge you, but also encourage, support, and inspire.

As you prepare for our time together, please spend a few moments reviewing the information below which includes our camp schedule and audition information for symphonic band chair placements and other logistics.

Please come ready to learn, lead, and contribute to something bigger than yourself. Bring your instrument, an open mind, a positive attitude, and a willingness to step outside your comfort zone. I can't wait to get started and hear the incredible music we'll make together. Looking forward to meeting all of you!

Musically,

Eric Stambaugh
