

**Articulation Agreement Amendment  
Between Hutchinson Community College and Kansas State University  
Original Agreement Date: December 1, 2023**

This Amendment to the articulation agreement between Hutchinson Community College and Kansas State University, originally signed on December 1, 2023 for the Associate of Science in Nutrition-Dietetics and Bachelors of Science in Dietetics, is made for the purpose of updating course information to reflect recent curricular changes.

**The following updates are agreed upon by both institutions:**

**1) Rescission of Prior Amendment**

- a) All changes outlined in the March 31, 2025, amendment are no longer in effect.
- b) The articulation agreement between Hutchinson Community College and Kansas State University shall revert to the terms, course equivalencies, and requirements outlined in the original agreement dated December 1, 2023.

These changes will take effect immediately upon full execution by both institutions and shall apply to all current and future students unless otherwise specified in a subsequent agreement.

All other terms and conditions outlined in the original articulation agreement dated December 1, 2023, remain in effect. This amendment does not alter the structure, duration, or intent of the original agreement.

This amendment is signed and entered into on this 22<sup>nd</sup> day of April, 2026.
