

Hazardous Materials Operations for First Responder - FS150

Section: FS150 002251S Lyons

Section Type: Lecture

Credit Hours: 3.00

Course Description: Knowledge and skills first-responding firefighters and EMS personnel need to safely respond to routine and non-routine emergencies that may involve hazardous materials. This includes knowledge and skills to understand what hazardous materials are and the risk associated with them in an incident; recognize the presence of hazardous materials in an emergency; understand the role of the emergency responder at the operations level and understand the U.S. Department of Transportation's Current Emergency Response Guidebook.

Section Notes: Lyons High School Students Only. Class meets Monday-Thursday 1:44 p.m. - 3:10 p.m. and Fridays 1:05 p.m. - 3:10 p.m.
