

Hazardous Materials Operations for First Responder - FS150

Section: FS150 012251S Main Campus

Credit Hours: 3.00

Course Description: Knowledge and skills first-responding firefighters and EMS personnel need to safely respond to routine and non-routine emergencies that may involve hazardous materials. This includes knowledge and skills to understand what hazardous materials are and the risk associated with them in an incident; recognize the presence of hazardous materials in an emergency; understand the role of the emergency responder at the operations level and understand the U.S. Department of Transportation's Current Emergency Response Guidebook.

Section Notes: Academy Offering. Students must also be enrolled in FS110, FS113 FS150. Class meets face-to-face October 4 to 17.
