

Digital Photography - NC312

Section: NC312 001242S Main Campus

Section Type: Lecture

Credit Hours: 0.00

Course Description: This is an introductory class for those wanting to improve their digital photography skills. Learn how to take better photographs using your DSLR camera in modes other than AUTO. In addition, learn more about white balance, exposure, and flash compensation. Each week we will practice shooting at a new location around town.
