

KSPN Foundations of Nursing - PN100

Section: PN100 001232S McPherson

Section Type: Lecture

Credit Hours: 4.00

Course Description: An introduction to practical nursing and the roles of the practical nurse as well as profession and client related concepts. Emphasis is placed on the knowledge and skills needed to provide safe, quality care. The theoretical foundation for basic data collection and nursing skills is presented and an introduction to the nursing process provides a framework for decision making.

Course Notes: This course is offered in the Fall semester for the full-time program and the Spring semester for the part-time program.

Section Notes: This course is offered in the Fall semester for the full-time program and the Spring semester for the part-time program.
