

KSPN Foundations of Nursing Clinical - PN115

Section: PN115 001232S McPherson

Section Type: Lecture

Credit Hours: 2.00

Course Description: An introduction to the skills required to practice nursing. The theoretical foundation for basic data collection and nursing skills is presented and the student is given the opportunity to demonstrate these skills in a clinical laboratory setting. Students are also given an opportunity to practice application of the nursing process to client-related situations.

Course Notes: This course is offered in the Fall semester for the full-time program and the Spring semester for the part-time program.

Section Notes: This course is offered in the Fall semester for the full-time program and the Spring semester for the part-time program.
