

KSPN Foundations of Nursing Clinical - PN115

Section: PN115 002252S McPherson

Credit Hours: 2.00

Course Description: An introduction to the skills required to practice nursing. The theoretical foundation for basic data collection and nursing skills is presented and the student is given the opportunity to demonstrate these skills in a clinical laboratory setting. Students are also given an opportunity to practice application of the nursing process to client-related situations.

Course Notes: Practical Nursing program acceptance required.

Section Notes: Practical Nursing program acceptance required.
