

KSPN Nursing Care of Adults II Clinical - PN117

Section: PN117 001192S McPherson

Section Type: Lecture

Credit Hours: 2.00

Course Description: Focuses on the care of the adult clients with common medical/surgical health alterations. The clinical laboratory experience provides the student an opportunity to apply the theoretical concepts from Nursing Care of Adults II and implement safe client care in selected settings. Students are given the opportunity to practice leadership skills while managing a caseload of clients.

Course Notes: This course is offered in the Spring semester for the full-time program and Summer semester for the part-time program.

Section Notes: This course is offered in the Spring semester for the full-time program and Summer semester for the part-time program.
