Public Speaking - SH101

Section: SH101 003261S Hutchinson
Credit Hours: 3.00
Course Description: Develop practical skills of public speaking by implementing the following principles: research, organization, audience analysis, effective use of language, and presentation of techniques. Learn how to change a speech for different occasions and audiences, how to support ideas, and how to select and organize materials. Through techniques taught, gain confidence and master skills to present relevant information in academic, business, and social settings. A minimum of 4 speeches will be delivered to an audience.
Section Notes: Hutch HS students ONLY. Free textbook is provided and will be available in student's LearningZone course.
