

Public Speaking - SH101

Section: SH101 816193S Online

Section Type: Lecture

Credit Hours: 3.00

Course Description: Develop practical skills of public speaking by implementing the following principles: research, organization, audience analysis, effective use of language, and presentation of techniques. Learn how to change a speech for different occasions and audiences, how to support ideas, and how to select and organize materials. Through techniques taught, gain confidence and master skills to present relevant information in academic, business, and social settings. A minimum of 4 speeches will be delivered to an audience.

Section Notes: Students must be able to provide an audience of at least six adult, non-family members and record their speeches to upload to an online platform.
